HOME PRAYER MEETINGS

REVIVAL & SPIRITUAL AWAKENING in our TOWNS, and in our STATES, and in AMERICA

Purpose

The purpose of an intentional “*Home Prayer Meeting*” is to meet with other Christians and unite together in praying for **REVIVAL & SPIRITUAL AWAKENING** in our community, and our state, and our country. And, to pray for the upcoming **CRUSADE OF HOPE** in Hobbs, NM, September 13-16, 2015, with Evangelist Scott Nute.

Strategy

- 1) To meet together in a home(s) regularly (weekly or bi-weekly) for approximately one hour.
- 2) To pray intentionally for the items on the CRUSADE OF HOPE prayer list (found [here](#)), and any additional things that fit directly into the context of the prayer list. And, to avoid venturing into “common” prayer requests that can be prayed for at other times.
- 3) To begin each *Home Prayer Meeting* with at least 3 people and intentionally grow from there. Once a prayer group reaches approximately 8 people, they then split the group into 2 groups and start again, and continue on with the strategy of **multiplying** *Home Prayer Groups* throughout the community.
- 4) To contact Christians that we know in other communities around our state, and around the country, and share this intentional *Home Prayer Meeting* strategy with them. And, if they are interested, instruct them on how to begin *Home Prayer Meetings* in their area.

Practical Preparations

- 1) Contact like-minded Christians who would be interested in being a part of this “type” of prayer group.
- 2) Select a home that is centrally located, or a home that everyone is in agreement with.
- 3) Select the date and time for the prayer meeting.
- 4) Prepare a comfortable area to pray, such as a living room with couches, chairs, floor pillows, etc.
- 5) Provide soft drinks. Yet, please be cautious about providing food or snacks as that could take away from the focus and make people drowsy. Having snacks and/or food can be done afterwards. *Suggestion:* consider making the *Home Prayer Groups* a time of fasting, such as fasting a meal, or a half day, or a day.
