International Evangelistic Crusade Events

Population(s) Served:
General/Unspecified

We conduct evangelistic outreaches geared to communicate the Gospel of Jesus Christ to non-Christians. Those who turn to Christ are contacted and "followed up" by the local churches we work with.

Our Leadership Development Conferences equip and train church leaders, and ministry minded Christians, for effective ministry in their region of the world via Biblical teaching and instruction, and resource provisions such as Bibles, evangelism materials, discipleship tools, etc.

School Programs speak to youth about drugs, alcohol, and other issues, to then share the Good News of Jesus Christ. Local churches and Christian teachers provide after program Bibles studies and local church connections.

Youth/Adolescents only (14 - 19 years)

CHARTING IMPACT

What is the organization aiming to accomplish?

Our goal is to reach as many people as possible around the world with the Gospel of Jesus Christ, and those who decide to accept Him we help connect them to the local churches we work with for spiritual growth.

What are the organization's key strategies for making this happen?

Our strategies are to work alongside and to mobilize the local churches we work with so that they are equipped for ministry, and for contacting those who commit to Jesus Christ during our events. Through our indigenous LIFE TEAMS and our areawide evangelistic events, we both equip church leaders and Christians in how to share their faith in Jesus Christ, and to follow up with the people who accept Jesus Christ as their Savior and Lord.

What are the organization's capabilities for doing this?

After 33 years of evangelistic ministry, SNGM has built a broad and solid network of pastor and church contacts throughout the world. These contacts then have local contacts in their towns and cities and countries, which facilitates and provides the resources, infrastructure, and man-power in the local churches, that is needed to conduct well-organized and fruitful evangelistic events and training ministry, and the most vital after-event follow-up for the people who have made the most important decision of their lives-- to turn to and accept Jesus Christ!

What have and haven't they accomplished so far?

We have seen over 60,000 people repent of their sins and accept Jesus Christ since May 2011 and we pray and plan to continue with this simple goal of winning as many people to Christ as we can! We plan to develop our LIFE TEAMS and event directors. And, we have developed our website so that it is accessible to some of the primary languages in the world.

* The Foundation Status Code is the code that foundations are required to provide for each grantee annually on part XV of Form 990PF. Note that this code cannot be derived in some cases (e.g., supporting organizations for which 'type' can't be determined).

[IRS Revenue Procedure 2011-33](#) allows grantors to rely on third-party resources, such as GuideStar Charity Check, to obtain required Business Master File (BMF) data concerning a potential grantee's public charity classification under section 509 (a) (1), (2) or (3).

GuideStar Charity Check Data Sources

- GuideStar acquires all IRS data directly from the Internal Revenue Service.

-The [IRS Automatic Revocation of Exemption List](#) contains organizations that have had their federal tax-exempt status automatically revoked for failing to file an annual return or notice with the IRS for three consecutive years.

-The [IRS Publication 78 \(Cumulative List of Organizations\)](#) lists organizations that have been recognized by the Internal Revenue Service as eligible to receive tax-deductible contributions.

-The [IRS Internal Revenue Bulletin](#) (IRB) lists changes in charitable status since the last Publication 78 release. Between the release of IRS Publication 78 and the subsequent IRS Internal Revenue Bulletin, the IRB date will reflect the most recent release date of IRS Publication 78.

-The [IRS Business Master File](#) lists approximately 1.7 million nonprofits registered with the IRS as tax-exempt organizations.
- The Foundation Status Code is a value derived by mapping the codes found on the [990PF filing instructions](#) to the corresponding codes in the IRS BMF. Note that not all codes are able to be mapped due to insufficient data.

-The Office of Foreign Assets Control (OFAC) [Specially Designated Nationals \(SDN\) list](#) organizations that are owned or controlled by targeted individuals, groups, and entities, such as terrorists or narcotics traffickers. Their assets are blocked and U.S. persons are generally prohibited from dealing with them.
